### ABOUT ME

I am a 21-year-old second year Cross-Platform App Development student passionate about what I do. I competed in "ProgramaMe" representing my school along with 2 classmates, achieving 4th place in the national final in Madrid. Critical, analytical and always eager to learn, I seek to apply and expand my knowledge in software development.

### WORK EXPERIENCE

28/10/2024 – 01/04/2025

#### Junior Android Developer Eulix

Development of an Android APP with the objective of recommending content (movies, series), based on the user's personality, mood and preferences.

—Development of the Virtual Assistant, Onboarding, How It Works section.

—Design and improvement of the UI & UX, generation of ideas and search for constant improvement.

—Integration of API calls in collaboration with the back-end,

—Coordination of the iOS version with an international team in India.
