ABOUT MYSELF

I am a 21 year old software developer with a background in DAM passionate about what I do. I competed in "ProgramaMe" representing my high school along with 2 classmates, achieving 4th place in the [national final](#) in Madrid. Critical, analytical and always eager to learn, I seek to apply and expand my knowledge in software development.

WORK EXPERIENCE

Eulix

Website <https://www.eulix.eu/>

Junior Android Developer

28/10/2024 – 01/04/2025

Development of an [application](#) with the objective of recommending content (movies, series), based on the user's personality, mood and preferences.

— **Chatbot** development (Virtual Assistant), Onboarding, How It Works section.
